Dear Parents/Guardians and Students:

Welcome to the 2018-2019 school year.

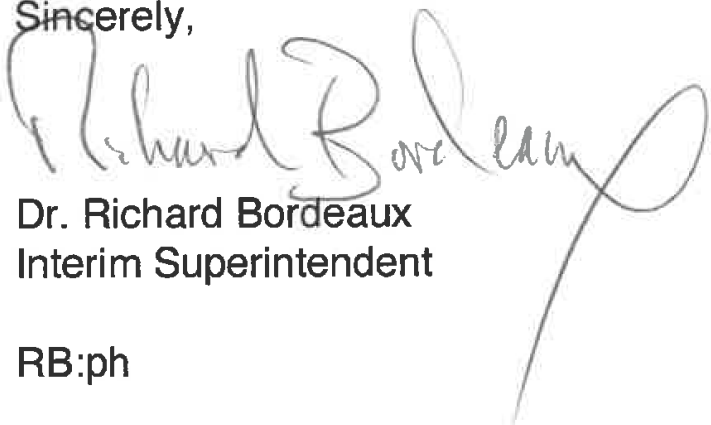

Why do we have a Student/Family Handbook?

Our schools strive to create and secure learning environments that are free from harm, model desirable behaviors, and are conducive to learning. When schools are perceived to be safe and secure by students, parents, and staff it increases opportunities for all of us to learn. When a child's environment is safe and secure, there is a higher likelihood of positive learning and positive interactions with other children and adults.

We have provided you with a District Directory and a 2018-2019 School Calendar. The District's policies are referenced throughout the handbook and can be found on the TCSD website:
<http://www/tcsdk12.sd.us/board-policies/>.

If you have any questions or concerns, please contact your child's principal.

Sincerely,

Dr. Richard Bordeaux
Interim Superintendent
